Order No. MS 3196 Dev d. 16.8.50

The Huzur Secretary of the merged State of Sandur has requested that the veterinary facilities which the ruler of the Sandur State and his family were enjoying prior to the merger might be continued to be given to them. The D.A.H has stated reported that Dt veterinary officer has reported that the Veterinary Asst Surgeon in charge of the Veterinary Hospital Sandur is already attending to the items of work referred to in the Huzur Secretary's letter and has recommended that the Veterinary Asst Surgeon may be allowed to continue to attend to those items of work as it will not interfere with his work in the Veterinary Hospital.

2. The Govt accept the recommendation of the D.A.H, and direct that the Veterinary Asst Surgeon in charge of the Veterinary Hospital Sandur should continue to afford the ruler of Sandur and his family such Veterinary facilities which they were enjoying before the merger of the State.

3. The action of the Vety Asst Surgeon in having continued to give the facilities without orders of Govt is ratified.

Rec 49949 e/50 6-6 '50 Please see the letter from the Huzur Secretary, Sandur on pp.1-4 c.f. He has requested the Collector of Bellary to address the proper authority to give instructions to the medi medical officers concerned to attend to the medical facilities mentioned at 'M' on p.3 c.f. enjoyed by the Ruler and his family before the merger of the state. It is submitted that according to the memorandum on the privileges of the rulers of the merged states, received by the Govt. of India, orders have been issued providing necessary medical facilities. According to these orders, the Rulers and their families are placed on a par with the members of the Secretary of State's services and the provisions of the Secretary of State's services (Medical Attendance) Rules, 1938, except those relating to travelling allowance and the re-imbursement of any cost incurred in respect of medical services obtained by them are applied to the rulers of the merged states of Pudukkottai, Banganapalli and Sandur. The ruler and his family will be entitled to necessary medical facilities when they fall ill. These concessions will not apply to the sanitary arrangements to be made in the palace as mentioned at 'M' on p.3 c.f. On the otherhand, it is the look out of the ruler concerned to provide necessary sanitary arrangements in his palace, and kitchen. In the circumstances it is for consideration whether the Huzur Secretary, Sandur may be informed accordingly. The file may be sent to Public (Political) and Finance for remarks thro' Development who will take necessary extracts in respect of veterinary facilities to the Ruler of Sandur State referred to.

Extract of notes of Health on p.1 ante and further notes of Development above may be perused. As pointed out by Health it is the look out of the Ruler ~~concerned~~ to provide necessary sanitary arrangements in his palace and kitchen. It does not appear that the Veterinary Assistant Surgeon should attend to the duties specified at 'A' on p.1 C.F. The Ruler of Sandur has been granted a privy purse of ninety thousand rupees per annum ~~to~~ which covers all ~~his~~ the expenses of the Ruler and his family ~~etc~~, including the maintenance of his residences, and it would appear appropriate if he makes his own sanitary arrangements in his palace and kitchen. It may be pointed out that the ~~Veterinary Assistant Surgeon at Sandur is~~ already

action of the District Veterinary Officer in having asked the Veterinary Assistant Surgeon at Sandur to attend to the duties specified at 'A' on p.1 c.f. seems to be irregular as the Government's orders were not previously obtained in the matter. However, as if Development have agreed to the continuance of the present arrangement, this department need not object.

With the above remarks, the file may be returned to Development.

2. Public (Political) consider that the action of the Dist. Veterinary officer in having asked the Vety. Asst. Surgeon, Sandur to attend to the duties specified at 'A' on p.1 C.F. (without obtaining orders of Govt.) is irregular. They have however no objection to the continuance of the arrangement.

(i) whether the action of the D.V.O. in having asked the Vety Asst Surgeon to attend to the duties specified at 'A' on p.1 C.F. will be ratified; and
